
Always Beginning

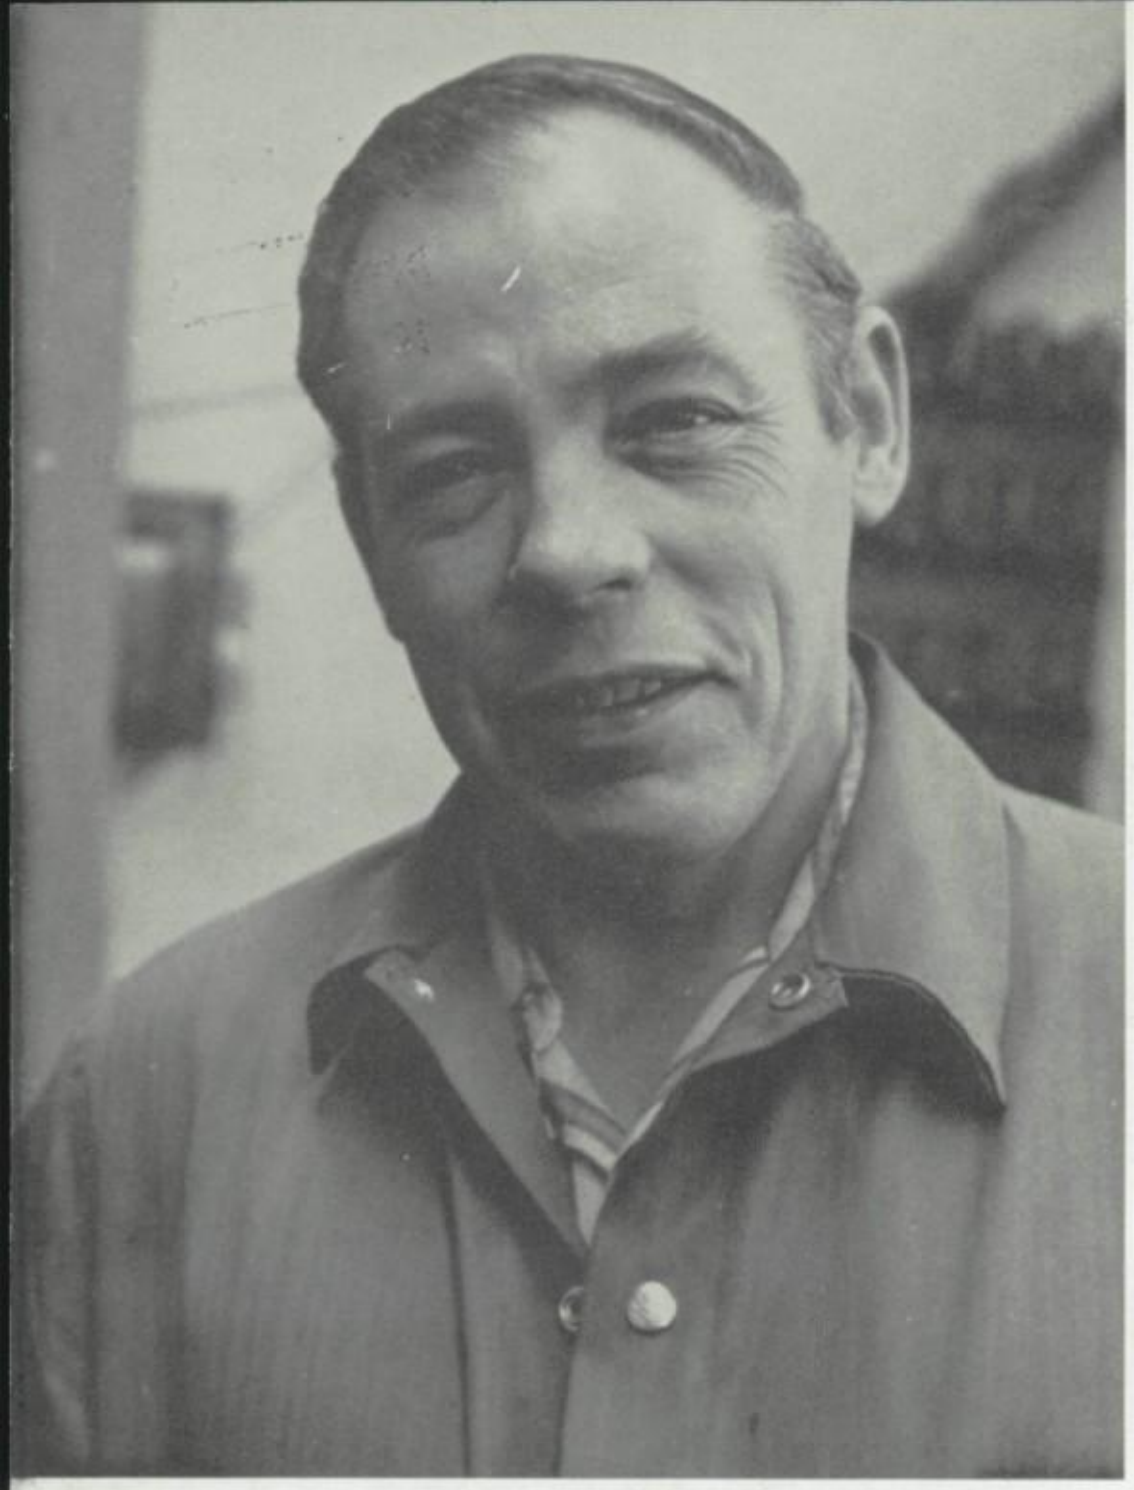
A health to everything that's new,
the new child just now being born
new lambs in the spring
        new wine in the fall
and someone,
        someplace
in the year ahead
who comes upon each one of us
in the darkness or the light
and finds us new
        and even necessary
            McKuen

As we journey along the highway of life, we are spurred on by the inspiration given us by our teachers, our families and friends, with whom we have shared much happiness.

The trials and tribulations, though few, will soon be forgotten but the happy memories will always remain with us.

"The heart, like the mind, has its own memories and in it are enshrined the precious keepsakes"

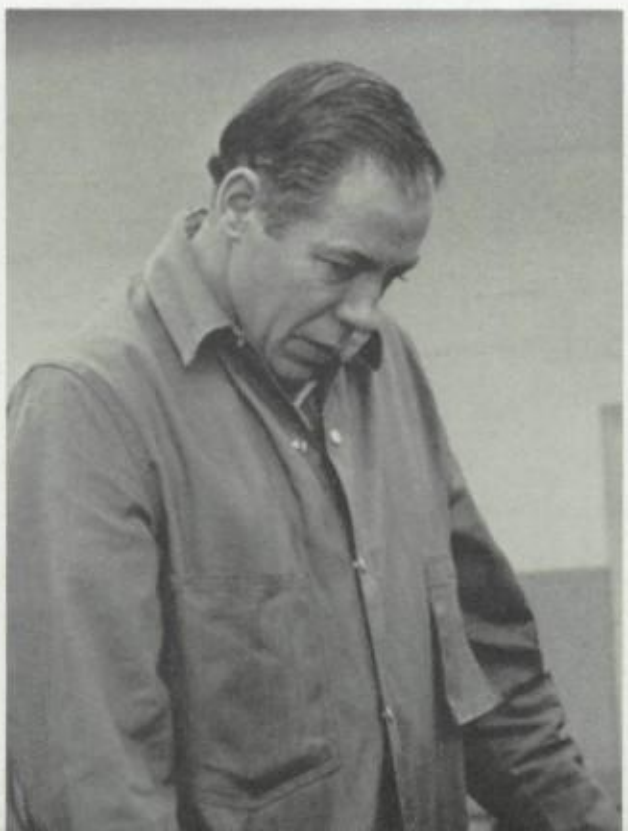
— Longfellow

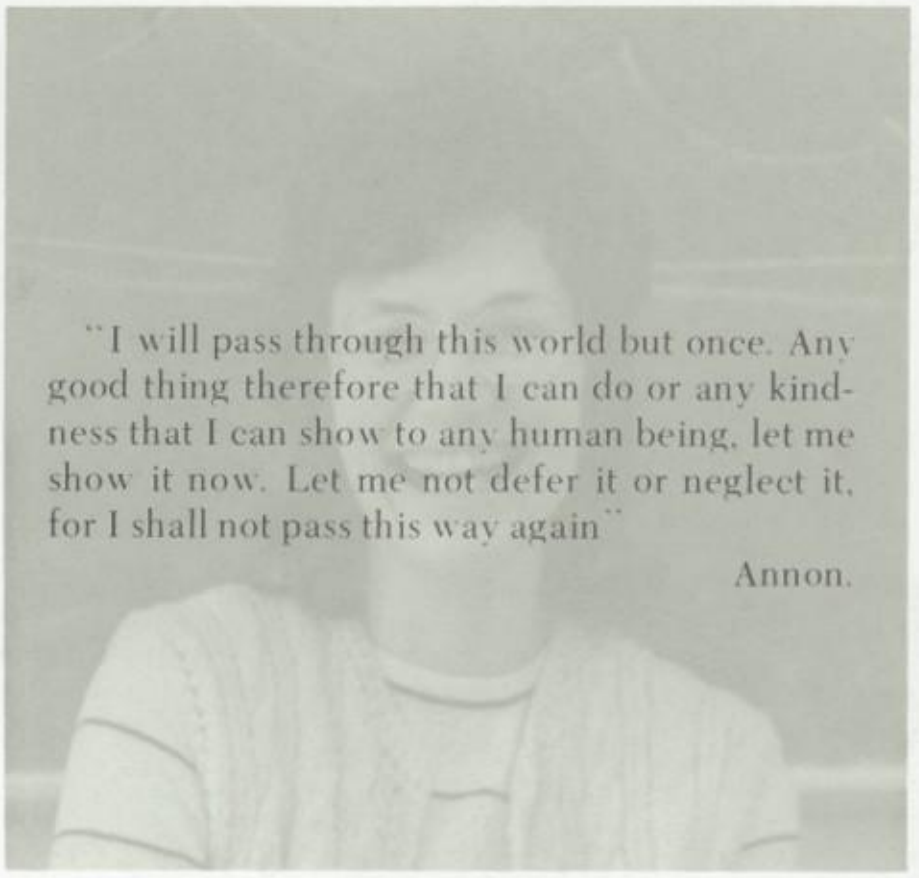


Kindness in words creates confidence,
Kindness in thinking creates profoundness,
Kindness in giving creates love.

We dedicate this Yearbook to you, Mr. Smith for being a friend as well as a teacher. Your loyalty and understanding has set a fine example for us to follow in future years.

Mr. Donald Smith — Dedication

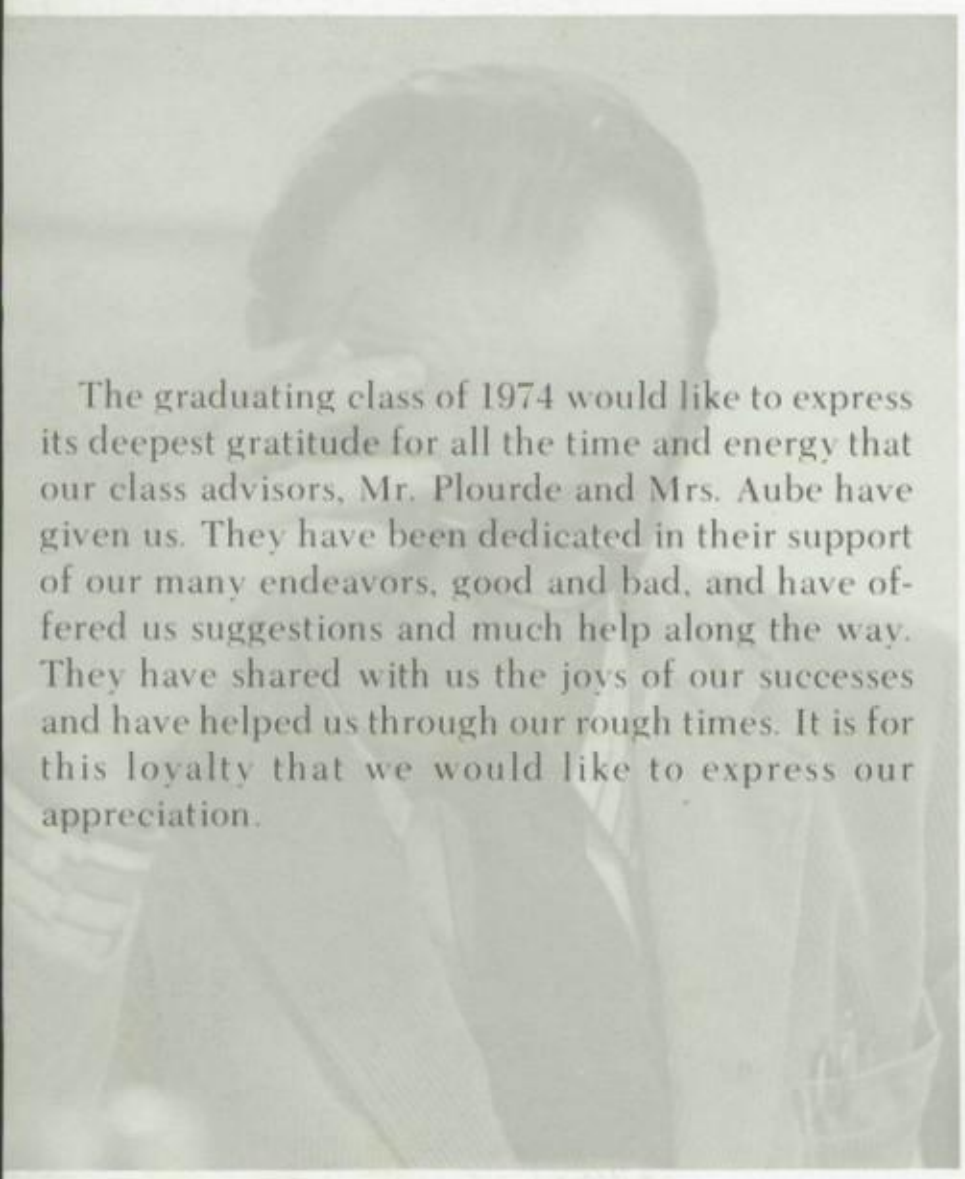




"I will pass through this world but once. Any good thing therefore that I can do or any kindness that I can show to any human being, let me show it now. Let me not defer it or neglect it, for I shall not pass this way again"

Annon.

Appreciation



The graduating class of 1974 would like to express its deepest gratitude for all the time and energy that our class advisors, Mr. Plourde and Mrs. Aube have given us. They have been dedicated in their support of our many endeavors, good and bad, and have offered us suggestions and much help along the way. They have shared with us the joys of our successes and have helped us through our rough times. It is for this loyalty that we would like to express our appreciation.

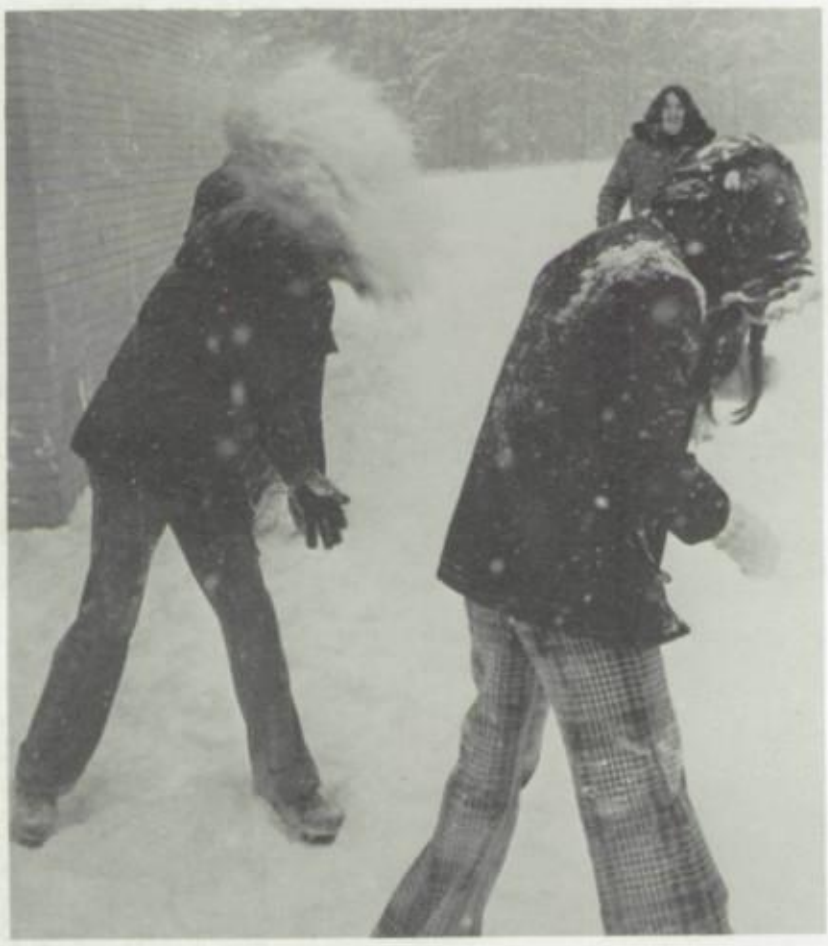
SNOW DAYS

Getting ready.

Here's to you.



Can't catch me.

Practicing.

Special things we remember
Silly little things we've done.
Moments we've shared together
Times we've spent having fun.

It happens every once in awhile
Something inside us lets go.

That's not fair.

Have some snow

A perfect base

For my snowman.

One step closer and . . .

We break down and act really crazy
Like when we frolic in the snow.

Like a snowball fight outside
on a snowy wintry day,
Recapturing these memories
With pictures of seniors at play.

Here, catch.

Guess what, you're all snow.

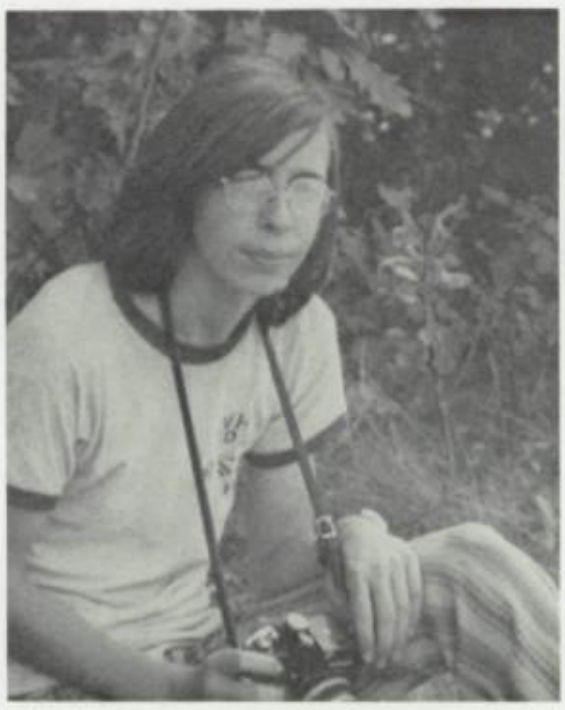
Class Meetings

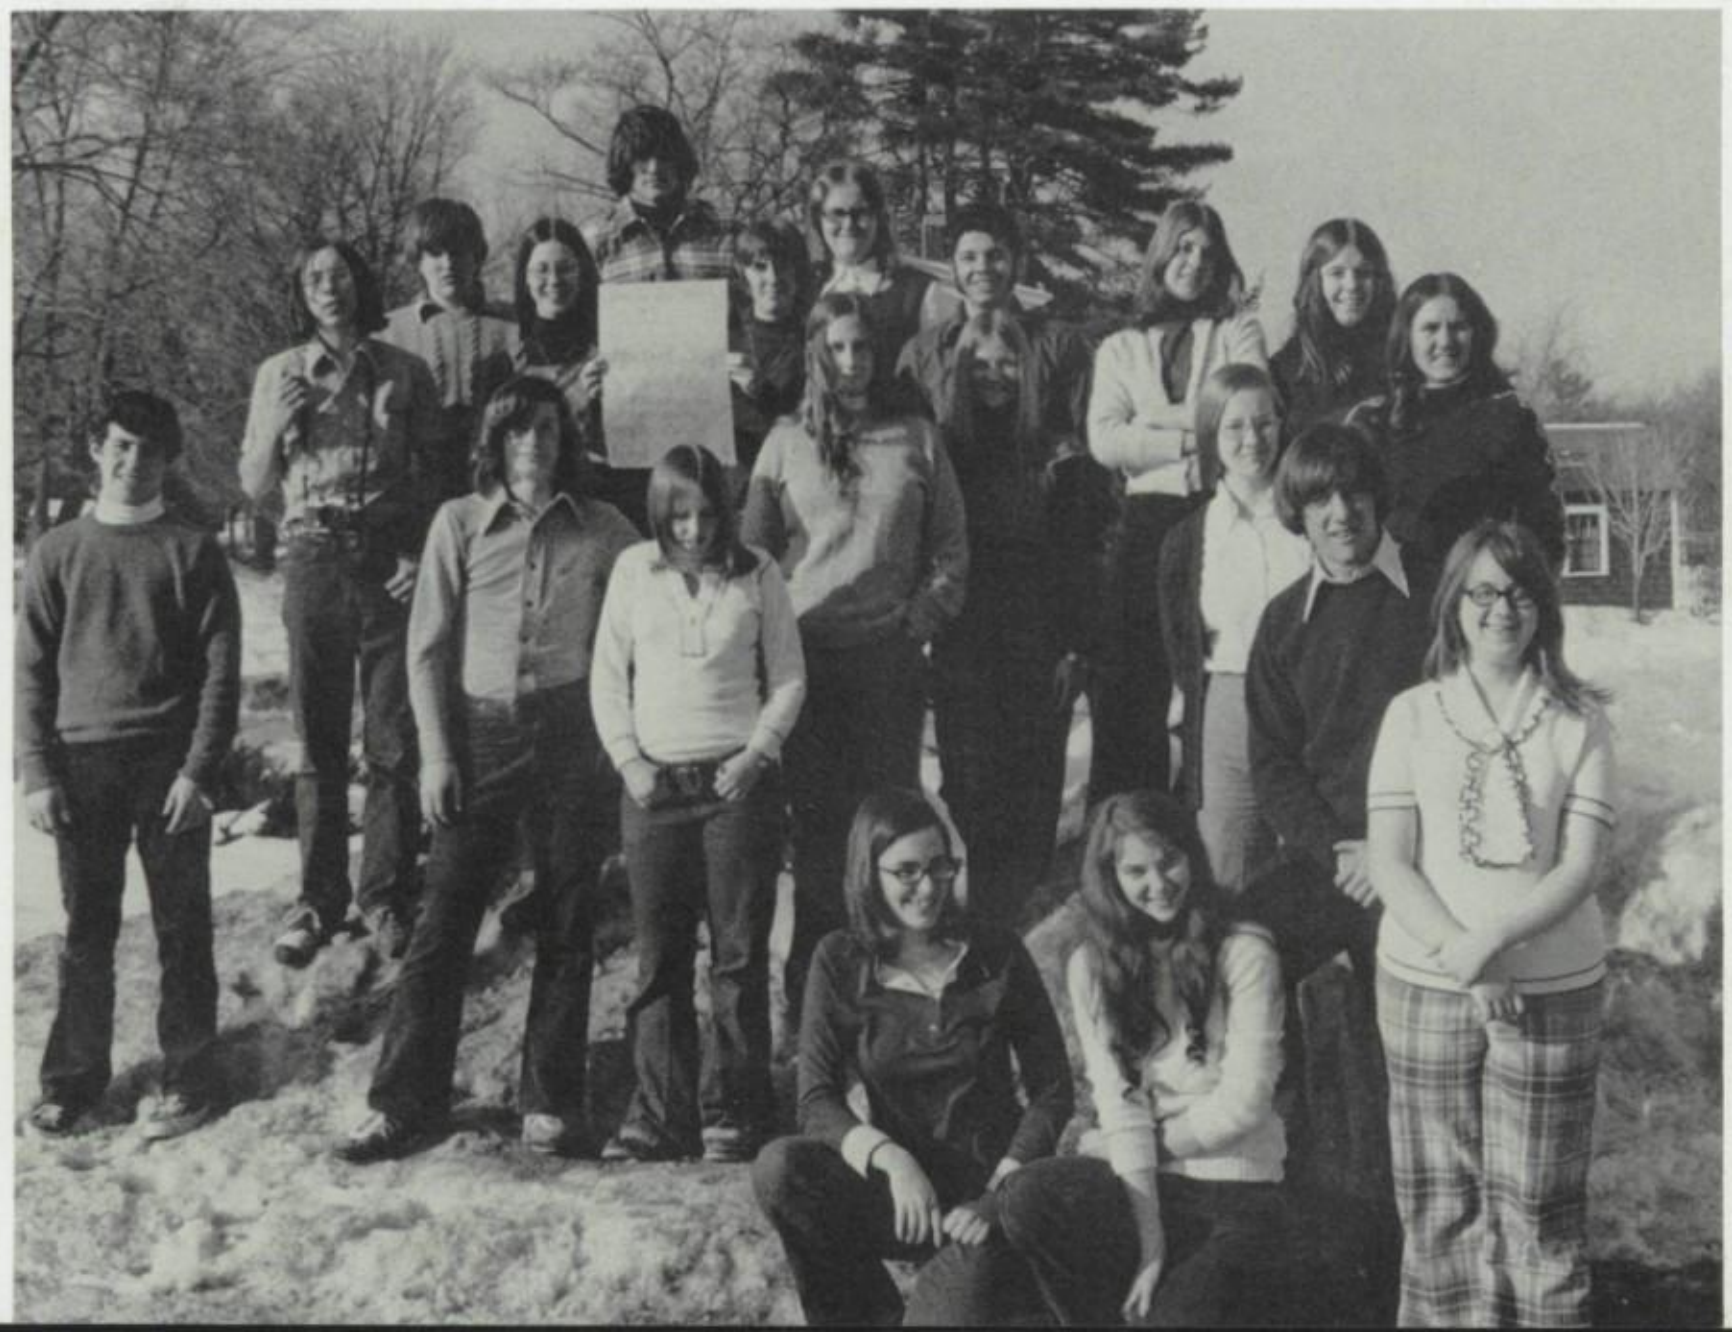
Officers

Yearbook Staff



Creating shades of "Yesterday" required much energy and determination. There were always obstacles, but one by one we hurdled them. The Energy Crisis caused our night meetings to be moved from school to living room floors and kitchen tables. These meetings mixed hard work with good times. Spreading the latest news, telling sick jokes, laughing and giggling; it has been an experience that will remain with us always.

L. Plourde, D. Holt, H. Tripp, M. Dow, T. Miller, T. Fletcher, B. Stebbins. F. Goodnow, L. Giguere, K. Marshall, S. Wright, K. Cate, S. Topolosky, E. Roy. S. Landry, D. Richardson, E. Anderson, G. Beaton, G. Coleman, M. Ethridge.



Mrs. Trembly

Mrs. Traum

It is with deep and sincere gratitude that the Yearbook staff acknowledge the interest, time and help of our advisors, Mrs. Trembly and Mrs. Traum. Mr. John Flanagan provided us generously with assistance and the necessary materials to complete our yearbook; to him, also, we are most grateful. To Mr. Ken Garey, who devoted so much time and effort to help us produce our Yearbook — we thank you. Also to the parents, who never complained when night meetings were scheduled in homes instead of school. Thanks! Without the help of all of these people, our Yearbook would not have been possible, therefore, we would like to take this opportunity to say, "Merci beaucoup."

"We have done the best service we can, if we have taught you to do the best you can. If you will but do your best, you will make us look successful."

National Honor Society

Beginning the school year with only five members the National Honor Society held a fund raising project and attended the Fall Convention at New Hampton School for Boys. In January approximately fifty guests (including faculty, parents, and friends) attended an evening ceremony at which ten seniors were inducted into the Society. In forthcoming months, we will induct eligible juniors and discuss the possibilities of a trip to the Spring Convention.

Although hit hard by graduation, the golf team had a moderately successful season with a record of 5 wins and 5 losses. Those who played on a regular basis were Kevin Kirby, Bob Hudson, Frank Mazur, Stacey Frew, Mike Cassavaugh, and Bill Baston. For the second consecutive year Kevin qualified for the State Championship, which was held in Keene. Prospects for next year look good as the first 7 men will be returning to the links.

The 1973 soccer season was highlighted by wins over Goffstown and cross-town rival Concord. We did not make the tournament; however that may change in years to come as a result of a new tourney set up, which goes into effect in 1974. Tour of our seniors were selected to the Division II ALL STAR TEAM. They were Scott Wyatt, Jerry Lucia, Peter Cassavaugh, and Steve Rattee. Pete and Steve went on to make ALL STATE selection. Along with these four seniors, we will be losing the services of Brian Stebbins, Tim Faylor, Pete Barnett, and Glen Shattuck.

The cross country team opened the 1973 season with an easy win at Interlakes as it captured the first five places, and four days later finished second in the Con-Val Invitational Meet.

1973-74 Girls' Varsity
and J.V. Field Hockey

This year the varsity hockey team suffered many frustrating moments. Unable to pull out three important games that ended in ties, the girls' were forced to settle for a losing season. The burden lies heavy on the returning J.V. players and the 4 returning varsity players as the team will lose 7 seniors.

Overlooking the losses and the hard road ahead, the underclassmen bid this year's seniors farewell, and wish them the best of luck in the future.

Co-Captains Brian Stebbins and Dave Crawford led the 1973-1974 Winter Track team to an 8-2 record and MVHS lost only to Exeter and State Champion Salem during the season. The energy crisis shortened the season, and the January meets were held at Salem instead of U.N.H., but the team will never forget the exciting close victories over Nashua and Pinkerton. Dave Crawford won the 600 yard run and Jim Spaulding the high Hurdles to lead MVHS to a second place tie in the Class I Meet. Jim also took second in the hurdles at the Norther Interscholastic Meet at Colby College as New Hampshire defeated Maine and Vermont.

The Merrimack Valley Indians completed the 1973-74 season with a record of 5 wins and 13 losses.

Senior captain Pete Cassavaugh led the team in assists and his hustle on defense was a great asset to the team. Senior Scott Wyatt scored well during the season. Other senior team members were Bob Reed and Dave Ladd.

Under classmen played a key role in this year's team. Sophomore Dave Cullen led the scorers, closely followed by Junior Bob Wescott and Sophomore Tim Langlais. Juniors Geoff Martin and Jeff Blanchard also played important roles as the season progressed.

Other team members from the Junior class were Joe Cassavaugh, Ski Kingsbury, and Les Fenton.

Victories over Pembroke, Franklin, and Bishop Brady highlighted the season.

Varsity Cheerleading

There are little eyes upon you and they're watching night and day;
There are little ears that quickly take in every word you say;
There are little hands all eager to do anything you do;
And a little girl who's dreaming of the day she'll be like you.

You're the little girl's idol;
You're the wisest of the wise,
In her little mind about you no suspicions ever rise;
She believes in you devoutly,
Holds that all you say and do, She will say and do, in
your way when she's a grown-up like you.

There's a wide-eyes little girl who believes you're always right
And her ears are always open; and she watches day and
night;
You are setting an example every day in all you do,
For the little girl who's waiting to grow up to be like
you.

1974 Girls' Varsity Basketball

Basically a young team, the '74 Girls' basketball team seemed to cling to the motto, "When you're hot you're hot, when you're not you're not. All those who played excellent in some areas and needed great improvements in others. Although their 3-8 record was not impressive, their attitude, ability and experience should blend together to put them into tournament contention next year.

The 1973 Junior Varsity Baseball team finished their season with a record of five wins and five losses. Three games were won in the last inning. Dave Cullen led the pitching staff with 3 wins and a fine earned run average. The Pearson brothers, Jon & Paul, and Tim Hoyt led the offense with potent bats.

The season must be considered successful in terms of enjoyment and learning. Twenty-one freshmen boys had the opportunity to participate and compete at their skill level. Although the win-loss record is not impressive, everyone worked hard and improved considerable. They discovered that learning and playing can be lots of fun. They learned that team play and loyalty is also part of the game. Each and every player must be commended for his dedication and determination, and his efforts to improve himself and help his team.

The team selected Andy Hoyt as captain for the year. His outstanding play and leadership qualities were evident in every way. It was a good season and most enjoyable to be able to associate with a fine group of young men.

Junior Varsity Basketball 1973-74

After a dismal start, the team began to jell midway through the year and played excellent basketball over their last eight games, winning five in convincing fashion and losing the other three to strong teams by close scores.

The balance on this team was a very pleasant surprise. Of course there was a leading scorer, and a leading rebounder, but no one stood out amongst the rest. They all did their jobs and complemented each other with their strenghts and abilities. It was a solid ball club, with a good bench, which improved as the year went on and provided some exciting basketball.

They are to be complimented on a fine season — finishing strong and ending with a record of nine wins and nine losses.

Coach Snell

The 1973 Varsity Baseball Team had a record of 4 wins and 12 losses. Hidden in the 12 losses were many close and well played games. The team was young and inexperienced at many positions with many Frosh and Sophomores getting valuable playing time.

Despite the lack of experienced pitchers, the prospects for 1974 look much better. the team should be stronger defensively and the offenses will show marked improvement.

This has been a year of rebuilding for the team, but the girls show much promise for the future. Although the team is a young one, comprised mainly of sophomores, they managed to better last year's record in the final game of the season against a tough Goffstown team. Their season record — 6 wins, 8 losses.

Dave Ethridge won the 2 mile, Dave Crawford won the 440, and Mike Perry captured second in three events, the long jump, triple jump, and 100 yard dash as MVHS finished second behind Exeter in the IMS State Meet. Dave Ethridge captured fourth place in the two mile in both the Glen Loucks (N.Y.) Invitational Meet and the New England Interscholastic Championship meet. Mike Perry finished third and Jason Miner seventh in the State Decathlon Championship at Nashua where over fifty boys competed.

Oustanding for MVHS were Hali Helf and Marg Bottomley who placed first in their events in every meet with the exception of one. Hali went on to place 3rd. in the 440 at the state meet.

The girls have many strengths and hope for bigger and better things in '74.

Life has loveliness to sell,
All beautiful and splendid things,
Blue waves whitened on a cliff,
Soaring fire that sways and sings,
And children's faces looking up
Holding wonder like a cup.

Life has loveliness to sell,
Music like a curve of gold
Scent of pine trees in the rain,
Eyes that love you, arms that hold,
And for you your spirit's still delight,
Holy thoughts that star the night.

Spend all you have for loveliness,
Buy it and never count the cost;
For one white singing hour of peace
Count many a year of strife well lost.
And for a breath of ecstasy
Give all you have been, or could be.
